

A still from the animated film 'The Little Prince' showing the titular character sitting on the edge of his small, rocky planet. He is wearing a green suit and has a golden, wing-like object on his back. A single red rose is growing from the ground next to him. The background is a vast, pale yellow sky with a large, bright sun in the upper right and several small, grey stars scattered across the sky.

- The nuances, complexities and nuances of love and relationships:

"It is only with the heart that one can see rightly; what is essential is invisible to the eye".

“People have no time to understand anything anymore. They buy things readymade at the shops. But there is no store where you can buy friendship, and so, people have no friends anymore. If you are looking for a friend, you could tame me.”
